

CAMRYN GONZALEZ CHING **STAFF CONSULTANT**

ctgonzalez@engsys.com

Camryn Gonzalez Ching is a Staff Consultant for Engineering Systems Inc. (ESi) in the Civil, Structural, and Environmental Practice Group. She has a Bachelor of Arts degree from the University of California, Los Angeles in Geography/Environmental Studies with a minor in Geospatial Information Systems and Technologies. Before joining ESi, Mrs. Gonzalez Ching worked as a middle school math teacher. Subsequently, she earned a Master of Science in Geographic Information Science with an emphasis on remote sensing. During this time, Mrs. Gonzalez Ching became a licensed FAA Part 107 sUAS (small unmanned aerial system) commercial drone operator. She specializes in data visualization and analysis, especially with LiDAR and satellite imagery.
